Prime Minister of the Czech Republic

Prague, *hdy* November 2013

Your Excellency,

With deep sorrow I received the news of the tragic accident in the shopping centre in Riga that claimed lives of dozens of people.

I greatly admire the effort of all those who are taking part in the rescue operations, especially the firemen who laid down their lives helping their fellow citizens.

Your Excellency, please accept my deepest condolences on behalf of myself as well as the Government of the Czech Republic and convey our sympathies to families and close ones of those who perished.

Respectfully yours,
