Dear Prime Minister,

It was with great personal sadness that I have followed the news of the tragic events at the supermarket in Zolitūde and the resulting loss of human lives.

I would like to express my sincere condolences to the Latvian people. Our thoughts, sympathy and solidarity in these difficult moments are with the victims of this tragedy, as well as with their families and loved ones.

You and the people of Latvia can count on the OECD. Our Organisation's expertise is at your disposal under these difficult circumstances.

Yours sincerely,

Angel Gurría
