

**His Excellency Mr Valdis Dombrovskis
Prime Minister
of the Republic of Latvia**

It is with great sadness that I was informed of the terrible accident that took place in Riga, after the roof of a building collapsed, claiming numerous lives and injuring many people. My thoughts and those of the Greek people are with the victims of this tragedy and their families.

At this hour of mourning and grief, in the face of disaster, I want to assure you that the solidarity of Greece accompanies you. Wishing you strength and courage to overcome this tragedy, I extend my heartfelt sympathy to you and the people of Latvia.
